Niles Community Schools’ Vision and Mission Statement

Niles Community Schools
Dynamic Learners * Diverse Opportunities * Driven to Succeed

Niles Community Schools inspires and prepares all learners through diverse opportunities to challenge the present and enrich the future.

Behavior Expectations Guiding Principles

I am respectful, responsible and resilient.

Dear Parents,

Welcome to Niles Community Schools. This handbook was developed to answer many of the commonly asked questions that you may have during the school year and to provide specific information about certain Board policies and procedures. This handbook contains important information that you should know. Become familiar with the following information and keep the handbook available for frequent reference. If any of the policies or administrative guidelines referenced in this document are revised after June 30, 2018 the language in the most current policy or administrative guideline prevails.

The first seven sections provide general guidelines and policies that are followed within all Niles Community Schools’ elementary buildings: Eastside, Northside, Howard-Ellis and Ballard. Section VII will provide you building specific information. If you have any questions that are not addressed in this handbook, you are encouraged to talk to your teachers or the building principal.

Respectfully,
Your Niles Community Schools Leadership Team

Adopted by the Board of Education on June 5, 2017.

Directory Information Under FERPA, the district is authorized to designate certain personally identifiable information contained in education records as “directory” information and to disclose such information without prior consent unless a student objects to such disclosure. The district designates the following personally identifiable information contained in a student’s education record as directory information: student name, address, photograph, e-mail address, telephone number, date and place of birth, major field of study, grade level, participation in officially-recognized sports and activities, weight and height of athletic team members, dates of attendance, degrees, honors and awards received, and the most recent previous school attended. Unless a parent or eligible student advises the district in writing within 20 days of receipt of this notice that s/he does not want some or all of this designated directory information released, school officials may release this information without prior consent. Written objections to the release of directory information should be submitted to the building principal.
SECTION II—GENERAL INFORMATION

Parent Volunteer Policy
We encourage parent participation and volunteerism in our schools so please do not be hesitant to ask to help! However, to ensure the safety of our students, the following apply to all adults who will be working with our students:

1. Volunteers, including parents, are screened through the administration of the Self Certification Statement and must complete an ICHAT before volunteering on a regular basis. These documents are available in the office.
2. Volunteers must complete the Volunteer Availability and Consent Forms.
3. Volunteers must check in at the office and obtain a visitors pass.
4. Volunteers using office machines should use them outside of teacher preparation time.
5. All supplies needed should be requested or obtained by the teacher.

Advisory and Parent Organizations
These parent groups are important to our school improvement processes and we need your help and input in developing and reviewing following:

- 1. School Improvement Plan
- 2. Title 1 School Wide Program
- 3. Curriculum and Assessment
- 4. Health and Nutrition
- 5. Parent Participation Compacts
- 6. Parent Participation Policy and Procedures
- 7. Parent Involvement Opportunities
- 8. Parent and Child Needs in the Community

Visitors
Visitors, particularly parents, are welcome at the school. In order to properly monitor the safety of students and staff, each visitor must report to the office upon entering the school to obtain a pass. If a person wishes to confer with a member of the staff, s/he should call for an appointment prior to coming to the school, in order to schedule a mutually convenient time.

- Students may not bring visitors to school without prior written permission from the Principal.

Visitor and Volunteer Expectations
- Always sign in and wear a nametag; sign out when you leave.
- Weapons are prohibited from school property
- Appropriate attire must be worn. Please know that you are a role model to our children. See Dress Code on p.6.
- No profanity written on clothing.
- Shorts or skirts need to be at an appropriate length.
- No pajamas.
- Any rips in clothing must not be revealing.
- Appropriate language must be used in the building.
- Have your cell phone on vibrate and limit the use so that your attention is on the children.
- Pre-approval of siblings joining your volunteer time is expected.
- No smoking or tobacco use on school property.
- Have a positive attitude!
Injury and Illness

While we make all attempts to ensure the safety of your child while in our care, occasionally accidents happen. Should your child require immediate medical attention, all attempts will be made to notify you via phone or one of your emergency contact persons prior to transporting your child to the closest and most appropriate facility.

Following are two ways we teach our students to cover a cough (or sneeze) which will help reduce the spread of germs: 1) cough into a tissue and 2) cough into your upper sleeve or elbow. You could help by encouraging this at home as well.

For your child’s well-being and to prevent the spread of communicable diseases, please do not send your child to school if (s)he has one or more of the following symptoms:

- Fever (within the past 24 hours)
- Vomiting (within the past 24 hours)
- Diarrhea (within the past 24 hours)
- Heavy nasal discharge (especially green or yellow)
- Reddened eyes and/or discharge
- Persistent cough
- An unidentified rash

IF YOUR CHILD IS BEING TREATED FOR ANY COMMUNICABLE DISEASE, PLEASE INFORM THE SCHOOL OFFICE IMMEDIATELY.

Control of Non Casual-Contact Communicable Diseases

see Board Policy 8453 - DIRECT CONTACT COMMUNICABLE DISEASES
Head Lice—school policy
- If a child is found with head lice, the parent will be called to come pick up his/her child.
- An informational handout is given to the parent on how to treat the lice and information on re-entry back into school.
- Before a child can return to the classroom, he/she must be lice/nit free. The parent will bring him/her to the office to be checked.

Immunizations
Students MUST be current with all immunizations required by law or have an authorized waiver from State immunization requirements. Any questions about immunizations or waivers should be directed to the building secretary.

Use of Medications
A Doctor must complete and sign the Medication Permission and Instruction form available in the school office for prescription medication required during school hours (or use the link below). The doctor should be very specific about instructions for administration of medication. “As needed” is NOT specific enough. Medicine CAN NOT be dispensed without required forms.

http://www.neola.com/niles-mi/ or Form 5330f1

Prescription medication MUST be in its original container labeled with a date, the child’s name, and the exact dosage. Medication should never be transported to and from school by the child. An adult should bring the medication, along with the completed permission/instruction form directly to the school office.

Children with ASTHMA must have an “asthma action plan” on file, signed by a physician.

http://www.neola.com/niles-mi/ or Form 5330f1c

Children with DIABETES must have a “diabetes action plan” on file, signed by a physician.

http://www.neola.com/niles-mi/ or Form 5330f1c

Blood/Bodily Fluids
We have special policies to follow when a child has been bleeding or has any bodily fluids on his/her clothing. **Bodily fluids are vomit, diarrhea and blood.** Michigan law requires that a child that has bodily fluids on his/her clothing cannot be exposed to other children. The home will be contacted for a change of clothes, if one has not been provided.

Control of Blood-Borne Pathogens
8453.01 - CONTROL OF BLOOD-BORNE PATHOGENS

Individuals With Disabilities
see Board Policy 2260 - NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY Notice of Non-Discrimination

Limited English Proficiency
Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of the District. Those students identified, as having limited English proficiency, will be provided additional support and instruction to assist them in gaining English proficiency.
Homebound Instruction
The District shall arrange for individual instruction to students of legal school age who are not able to attend classes because of a physical or emotional disability. Applications must be approved by the Director of Special Education (683-0757). The District will provide homebound instruction only for those confinements expected to last at least five (5) days. See Board policy 2412 - HOMEBOUND INSTRUCTION PROGRAM- for detail.

Transfer Out of the District & Withdrawal
Parents must notify the office or enrollment secretary about plans to transfer their child to another school. School officials, when transferring student records, are required to transmit disciplinary records including suspension and expulsion actions of the student.

Student Records
See Board Policy 8330 - STUDENT RECORDS

Emergencies in Buildings When First Responders Are Involved
Unfortunately, emergencies do occur from time-to-time in our schools and in the community that could result in a lockdown or other action. During such matters, the safety and well-being of our students, employees and staff is our primary concern. Calling the school during an emergency situation may result in busy signals as the lines will most likely be tied up with first responders. While we value informing parents of any emergency as soon as possible, our first responders strongly request that we not release any public statement until they have an opportunity to assess the entire situation. This serves two primary purposes:
1) It allows all of our people to work with the first responders to ensure the safety of our students and employees and
2) In the early stages of the emergency we may not have all of the necessary facts to share with you and we do not want to release misinformation. In this day of social media and cell phones, we realize you may hear about an event before you hear from us. Unfortunately, we can't control the dissemination of all information. However, we have extensive plans in
place, work very closely with our first responders, and always put safety first. In consultation with emergency personnel, we will provide parents with accurate information as soon as possible.

Emergency Operating Procedures
- The school complies with all fire safety laws and will conduct fire drills in accordance with State law.
- Tornado drills will be conducted during the tornado season using the procedures provided by the State.
- Lock down drills in which the students are restricted to the interior of the school building and the building secured will occur a minimum of two (2) times each school year.
- The schools have specific procedures outlined and on file for additional emergencies.

Emergency Closings and Delays
During inclement weather, please listen to your radio or TV for school closings or shortened days. The following stations will be notified and some or all of them will broadcast the information, depending on the time school officials make the decision:

<table>
<thead>
<tr>
<th>Station</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>ABC57</td>
<td>WNDU</td>
</tr>
<tr>
<td></td>
<td>WSBT</td>
</tr>
</tbody>
</table>

All emergency information relative to early dismissals, delays, or closure will be posted on building and/or district websites. In the event of an early dismissal based upon weather, building issues, power outage, etc. parents are notified and procedures are followed according to the information from the Child Emergency Closing Form. Changes in information on this form (and school emergency cards) are the responsibility of the parent.

Preparedness for Toxic and Asbestos Hazards
Asbestos Hazard Emergency Response Act (AHERA) Notification Requirements

Complaint Processes
If you are unable to resolve your concern or question after consulting with the teacher you should schedule an appointment with the principal. Call the office and leave a message with the secretary “that you would like to speak with or schedule an appointment with the principal.” If you are unable to resolve your concern or question after your appointment with the principal, you can call the superintendent’s office and your complaint will be forwarded to the appropriate official. If your complaint is still unresolved after working with the appropriate official, you have the right to request a Board hearing.

Parental Grievance Process
See Board Policy 9130 - PUBLIC COMPLAINTS

Weather & Recess
Children have the opportunity to play outdoors daily. Students will not go outside if the temperature or wind-chill is below 10 degrees Fahrenheit.

SECTION III—ACADEMICS

K-8 Curriculum
Our curriculum is unique to each program, and developmentally appropriate for each student. Small group and differentiated instruction ensure that every student is successful in meeting the objectives for the student’s specific program and/or individual student plan. Niles Community Schools maintains a curriculum that:
- Supports each child’s rate of development;
- Provides the foundation for school readiness and later school success;
• Integrates health, mental health, and nutrition into school activities;
• Helps children develop emotional security and social skills; and
• Balances activities to enhance all areas of a child’s development

Homeschool
Additional course offerings are available at https://www.nileshsp.com/courses.html

Review of Instructional Materials and Activities
Parents have the right to review any instructional materials being used in the school; they also may observe instruction in any class. Any parent who wishes to review materials or observe instruction must contact the principal prior to coming to the school. Parents’ rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

Field Trips
Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school’s co-curricular and extra-curricular program. A student’s disruptive behavior will be taken into consideration for a student to participate. No student may participate in any school-sponsored trip without parental consent.

See Routine Transportation sign off (section VIII)

Grades
Each program has a standard grading procedure; your teacher will provide you with detailed descriptions of your child’s measure of their achievement. Parents and students are encouraged to check academic progress through PowerSchool. This is a service to parents which allows them to monitor how their child is doing. Log in information will be sent home at the beginning of the school year. If you have not received your log in information, please contact your child’s school’s office.

Grading Scale:
For 5th grade only:
A = 90-100
B = 89-80
C = 79-70
N = Needs improvement

K-4th grade:
ES = Exceeds Standards
MS = Meets Standards
BC = Basic Concept - Some understanding of basic concepts, but fails to meet standards
N = Needs Support - Little understanding of basic concepts
CR = Credit

Parent Teacher Conferences
Parents will be continually informed on student progress throughout the year. However, two times a year, parent teacher conferences are held to help us foster family involvement by building a relationship with you, learning more about your expectations for your child and discussing how we can work together to help your child be successful. You may also request a parent teacher conference any time throughout the year.
Title I
We receive Title I federal funds to assist us with providing quality programming for our students. Please accept this is as
your notification that:
   You have the right to request specific information about the professional qualifications of your child’s classroom
teacher and about any paraprofessional (instructional assistant) who provides Title I services to your child. You may
request this information from: Director of Personnel, Niles Community Schools, 111 Spruce Street, Niles, MI 49120

   If your child has been assigned a teacher who does not meet applicable State certification or licensure requirements,
you will be notified in writing if that teacher has taught your child for more than four consecutive weeks. In this
situation, notification will be made no later than the end of the fourth consecutive week and will be provided to you in
an understandable format and, to the extent practical, in a language that you can understand.

   Federal regulations require that each district adopt procedures for receiving and resolving disputes pertaining to the
Title I program. Please contact the Niles Community Schools Curriculum Office at 269-683-0736 for further
information regarding the district’s disputes resolution policy.

   See School Compact (section VIII)

Student Assistance Team Process
Our primary goal is to develop successful students in academic and behavioral areas. If your child is having significant
learning or behavioral problems, the general education teacher will have been in touch with you, and together you have
probably worked on possible solutions for your child’s success. If continued support is needed, a Student Assistance
Team (SAT) is activated. This team is comprised of multiple educators and educational support personnel; it is an “in
house” problem solving team to help students be successful. If at any time you are concerned about your child’s progress,
please begin discussion with his or her teacher, and you are always welcome to bring your concern to the principal.

Scheduling and Assignment
The principal will assign each student to the appropriate classroom and program. Any questions or concerns about the
assignment should be discussed with the principal. Final right of assignment lies with the principal or their designee.

Promotion, Placement, and Retention
Promotion to the next level is based on the following criteria and is determined through collaboration with families. Final
right of assignment lies with the principal or their designee.
   • Current level of achievement
   • Potential for success at the next level
   • Emotional, physical, and/or social maturity
SECTION IV—STUDENT CONDUCT

Attendance
The Board of Education, as an agency of the State, is required to enforce the regular attendance of students. The Board recognizes that the presence in the classroom enables the student to participate in instruction, class discussions, and other related activities. **5200 — ATTENDANCE** As such, regular attendance and classroom participation are integral to instilling incentives for the student to excel. Regular attendance means being absent no more than 5% of school days in session. For example, in a 180 day school year, regular attendance is equal to 0-9 days absent. Absences greater than 10 days put your child at risk academically.

- **ABSENCES:** All absences must be reported by telephone or through written notification to the school. Office hours are 8:00 A.M. – 4:00 P.M. If an absence is not reported by phone, you will receive an automated call. The parent should send a note to the teacher when the child returns explaining the child’s absence if not reported by phone. In the event that your child will be absent for three or more days (e.g. family vacations, childhood diseases), homework assignments will be provided upon request. Please give the teacher 24 hours of advance notice for homework requests.

- We believe regular attendance is essential to school success. Notification of absences is as follows:

<table>
<thead>
<tr>
<th>Data Point 1: (40 days)</th>
<th>Data Point 2: (80 days)</th>
<th>Data Point 3: (120 days)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regular = 0-2 days absent</td>
<td>Regular = 0-4 days absent</td>
<td>Regular = 0-6 days absent</td>
</tr>
<tr>
<td>At risk = 3 days absent</td>
<td>At risk = 5-7 days absent</td>
<td>At risk = 7-11 days absent</td>
</tr>
<tr>
<td>Chronic = 4 or more days absent</td>
<td>Chronic = 8 or more days absent</td>
<td>Chronic = 12 or more days absent</td>
</tr>
<tr>
<td>Severe Chronic = 8 or more days absent</td>
<td>Severe Chronic = 16 or more days absent</td>
<td>Severe Chronic = 24 or more days absent</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Data Point 4: (160 days)</th>
<th>Data Point 5: (180 days)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Regular = 0-8 days absent</td>
<td>Regular = 0-9 days absent</td>
</tr>
<tr>
<td>At risk = 9-15 days absent</td>
<td>At risk = 10-16 days absent</td>
</tr>
<tr>
<td>Chronic = 16 or more days absent</td>
<td>Chronic = 17 or more days absent</td>
</tr>
<tr>
<td>Severe Chronic = 32 or more days absent</td>
<td>Severe Chronic = 34 or more days absent</td>
</tr>
</tbody>
</table>

- Excessive tardiness may result in unexcused absences.

- The school reserves the right to ask for verification (i.e., doctor’s notes) for the cause of any absences. If, at any point during the school year, your child’s absences are considered chronic, he or she will be referred to an attendance intervention program.

- The Board may report to the Intermediate School District infractions of the law regarding the attendance of students below the age of sixteen (16). A truant officer will be notified when 10 or more unexcused absences have occurred.

Tardy Policy
Students will be considered tardy if they are not in their class 10 minutes after the start of school and 10 minutes prior to school dismissing.

Dress Code
To minimize disturbances to the educational environment and to ensure a safe and secure learning environment, the following guidelines will be used by building principals to determine what action will be taken relative to student dress:
1. Clothing, patches, buttons, jewelry, bags and any other personal items should be appropriate, neat and clean. Any item containing or depicting obscenity, profanity, weapons, offensive messages of race and religion, ads for illegal substances or symbols found to be disruptive to the educational environment are not acceptable.

2. Jewelry or body adornments determined to be disruptive or dangerous, are not allowed. Any accessories such as chains, spikes or jewelry that could be detrimental to the safety and/or welfare of other persons will not be permitted.

3. Revealing, sheer, and/or low-cut clothing will not be allowed. All shirts, tank tops, and/or blouses must cover a minimum of half of each shoulder and the entire torso. Shirts such as tank tops, camis, undershirts, and mesh shirts cannot expose the bare midriff.

4. Hats, sunglasses, hoods, winter scarves, bandanas, headbands, and other headgear may not be worn inside the building.

5. Shorts and skirts must extend past the student's fingertips when the student's arms are extended by his/her legs.

6. Significantly torn or altered clothes (with primary focus on holes or tears above the knees) are not allowed if skin is exposed at or above a similar level as stated in #5 or as described in #3.

7. Yoga pants or leggings may only be worn when covered by a shirt, blouse, sweater, skirt, etc., but must extend to a similar level as shorts and skirts (see #5). Sagging pants riding below the waist that may expose skin or any garment worn under the pants are not allowed. Pants made with flannel or fleece that are considered “pajama bottoms” are not permitted.

8. Coats or lined jackets are to be left in lockers, not worn to class.

9. Book bags, backpacks, duffels, and purses are to be left in lockers except for use in gym class only.

10. Excessive makeup, costumes, or accessories that are distracting to instruction are not allowed.

11. Any other item or appearance deemed inappropriate by administration.

When appropriate, students violating the dress code will be allowed to call home to request suitable clothing. Staff may also be able to offer temporary garments. Any student refusing to comply with the dress code may be suspended.

Code of Conduct
The Board of Education of the Niles Community School District, as both an employer and a public school district, is concerned with and interested in protecting the health, safety, and welfare of students, employees, and visitors. The Board recognizes that school buildings, facilities, vehicles, grounds, and other school property are best utilized in the educational process in the absence of threats to physical and emotional well-being and safety.

The primary objectives of requiring appropriate student behavior and self-discipline is to produce a positive and safe learning atmosphere in which there will be no interruption of the teaching-learning environment. All students will assume personal responsibility for their behavior and actions, develop appropriate self-control, exhibit self-discipline, and accept the responsibility and consequences of any inappropriate behavior. To accomplish this objective requires a cooperative effort from students, staff, and parents.

The responsibility to implement the Code of Conduct rests with the building principal.

B. Respect and honor the rights of other students to learn in an environment free of intimidation or harassment.

C. Maintain satisfactory attendance.

G. Referral to an administrative panel  
H. Referral to appropriate law enforcement or other governmental agency

F. Verbal assault against any school staff or school representative. (Any intentional threat or offer to do bodily injury to another by force, under circumstances which create a well founded fear of actual harm, coupled with the apparent ability to carry out the act if not prevented.)  
G. Acts of arson, bomb threats, false fire alarms, or any serious threat to school property or activities.  
H. Willful destruction of school property (in excess of $200).  
I. Acts of stalking (repeated or continuing harassment of another individual that cause a reasonable person to feel terrorized, frightened, intimidated, threatened, harassed, or molested).  

A violation of the Niles Community Schools Code of Conduct will result in the following sequence of events:  

A. The student shall be suspended from school.  
B. The building principal will convene an administrative panel composed of three administrators.  
C. The student and his/her parents will be informed of the time, place, and purpose of the administrative hearing.  
D. At the hearing, all parties will present information and arguments pertinent to the case. School officials and the student may invite other individuals to testify at the hearing.  
E. After the panel has heard all the parties, they will excuse the student and parents to determine a recommendation for the Board of Education.  
F. The recommendation will include the offense and recommended disciplinary actions. If expulsion is recommended, the panel will also outline the conditions for acceptance back into the Niles Community Schools.

**Bullying and Other Aggressive Behavior Toward Students**

Bullying is defined as repeated, persistent, harmful behavior, where an imbalance of power exists, intended to cause fear, distress, or harm to another person's body, emotions, self-esteem or reputation, that substantially interferes with a student's ability to benefit from the educational environment. Bullying exists when a student with more social and/or physical
power deliberately dominates and harasses another with less power. Bullying is unjustified and typically repeated. Bullying/Harassment of students is prohibited, and will not be tolerated. Any student that believes she/he has been/or is the victim of harassment should immediately report the situation to the teacher, the principal or assistant principal, or may report it directly to the Assistant Superintendent at 269-683-0736. All reports of bullying will be investigated. Consequences for bullying will range from a warning to expulsion, depending on the severity and number of previous offenses.

The District shall provide, and all administrators, school employees, contracted employees and volunteers who have significant contact with students will undertake annual training on preventing, identifying, responding to, and reporting incidents of bullying and other aggressive behavior.

See Board Policy 5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS

OK2SAY
The goal of OK2SAY is to stop harmful behavior before it occurs by encouraging anyone to report threatening behavior to caring adult authorities who can help. OK2SAY encourages Michigan residents to confidentially submit tips 24/7 using the OK2SAY mobile app, online, email, texting, or by calling trained program technicians. Upon receipt of a tip, specially trained OK2SAY technicians address the immediate need and forward the information to the appropriate responding law enforcement agency or organization. Tips go to schools, local law enforcement agencies, community mental health agencies or the Michigan Department of Health and Human Services.

Acceptable Use of Technology
Niles Community Schools (NCS, or Schools) strongly promotes the use of electronic information technologies in educational endeavors. Schools provide access to information resources in a variety of electronic formats, which allows learners to access resources, communicate in a technologically rich environment, make informed choices, and become self-directed, responsible, and accountable life-long learners.

Definitions (Information Resources)
- **Network** includes, but are not limited to, all voice, video and data systems.
- **Equipment** includes, but is not limited to, network infrastructure, computers, disk drives, keyboard & mice, multi-function photocopiers, printers, scanners, video and audio players/recorders, cameras, and telecommunications.
- **Software** includes, but is not limited to, local applications (code, script, or service), network applications (code, script, or service), audio/video/media programs, and print/fax processing.
- **Materials** include, but are not limited to, files, pictures/images (still or motion), sounds, and text or dialogue (in any language).
- The **Internet** is a global network connecting millions of computers. More than 100 countries are linked together through the exchange of data, news and opinions.

The purpose of this document is to identify and communicate standards that will assist in ensuring students benefit from their use of the Schools' network and the Internet.

The Internet is a place for the exchange of information and ideas on a wide range of subject matter. An emphasis on Digital Citizenship is crucial to development of 21st Century Skills. With access to computers and people all over the world, there also comes the availability of materials that may not be considered an educational value in the context of the school setting.

While NCS implements Internet filtering, it is impossible to control all materials on a global network. As such, students may encounter materials that are personally considered obscene, abusive, or otherwise offensive. NCS firmly believes
that information and the interaction available through the network outweighs the risk that students may access materials that are not consistent with the educational goals of NCS.

**Use of the NCS Network**

Use is ultimately governed or supported by Board Policies:

- 7540 - COMPUTER TECHNOLOGY AND NETWORKS
- 7540.03 - STUDENT NETWORK AND INTERNET ACCEPTABLE USE AND SAFETY
- 7542 - ACCESS TO DISTRICT TECHNOLOGY RESOURCES FROM PERSONAL
  - COMMUNICATION DEVICES
- 5136 - PERSONAL COMMUNICATION DEVICES
- 5500 - CODE OF CONDUCT
- 5513 - CARE OF DISTRICT PROPERTY
- 5517 - ANTI-HARASSMENT
- 5517.01 - BULLYING AND OTHER AGGRESSIVE BEHAVIOR TOWARD STUDENTS
- 5600 - STUDENT DISCIPLINE

The use of the Schools' network is a privilege, not a right. Students who fail to comply with the Schools' policies and guidelines while using the network may lose the privilege to access the network. Students may also lose the privilege to use equipment provided by the School or to bring their own computerized devices to school. Additionally, students may be subject to other disciplinary action or financial liability as appropriate based upon the nature and severity of the violation.

All students who are granted access to Internet resources through the School, whether on or off of Schools' property, will have read, signed and accepted the Student Acceptable Use Policy agreement with the School. This will typically occur as a function of the Student Handbook process. The School will revoke network and Internet access to any student who does not have a properly signed agreement on file with the School. In the case of students under the age of 18, parental consent and signatures will be required before access will be granted.

All account holders (“users”) of the NCS network will be granted access to select services the network offers based on grade-level and curriculum needs. The following persons may hold accounts:

- Students: Students who are currently enrolled in the district may be granted an individual network account or access to a shared account following agreement to the terms and conditions of this policy.

All accounts, software and materials created or stored on NCS equipment or within the NCS network are the property of Niles Community Schools. Users should have no expectation of privacy regarding documents, files, e-mail or other media created or stored using technology of Niles Community Schools, and understand that all items may be reviewed at any time without knowledge or consent of the user.

**General Rules**

The scope of this agreement extends to all NCS network, equipment, software and materials whether being used on or off of Schools’ property. Furthermore, the user(s) of technology ...

School District Responsibilities
Niles Community Schools is responsible for the management of the network, equipment and software that the Schools' use to access information technologies for educational purposes. These responsibilities include:
• Enforcing this Acceptable Use Policy;
• Selecting resources that support the mission of the school district;
• Selecting software that the network will support;
• Defining the rights and responsibilities of technology users;
• Creation or removal of user's accounts on the network(s);
• Maintaining network and equipment;
• Providing training opportunities on the use and application of information technology;
• Filtering and/or restricting materials not intended within the purposes of the Schools and to maintain compliance with State and Federal Law.

In accordance with its obligations under the Children's Internet Protection Act, NCS has undertaken efforts to educate students about appropriate online behavior, including cyber bullying awareness and interactions with individuals on social networking websites.

During classroom activities, it is the responsibility of the classroom educator/teacher/facilitator to supervise student internet use in a manner that is consistent with the educational objectives of the School and this policy.

**Student Responsibilities**

Use of the Internet by students must be in support of education and research and must be consistent with the educational objectives of the corporation.

Network etiquette expects that the student abide by the following guidelines. These guidelines include, but are not limited to:

- Students are expected to be courteous and respectful. The use of vulgar, obscene, lewd, and otherwise inappropriate language is prohibited. Students shall not engage in cyber bullying.
- While the Internet itself has virtually boundless resources, the availability of local communication and storage resources is limited. Since list servers and mail servers can generate a significant amount of data to be stored, students are expected to “clean up” their files or mailboxes at appropriate times so as to not create a storage problem on the host server.
- All communications and materials obtained via the network or the Internet should be assumed to be intellectual property subject to federal copyright law.
- Any attempt to compromise network security is prohibited. Any student identifying a possible breach in security must notify a school administrator, teacher or the district’s Technology Director.

If a student is uncomfortable or feels harassed, intimidated, or threatened by information or materials that s/he receives over the Internet, s/he should tell a teacher, principal, or other school administrator immediately. Likewise, if a student is asked by another Internet user to stop emailing or contacting them, the student must stop all contact immediately.

If a student inadvertently identifies or is presented inappropriate materials on the Internet while doing legitimate research, the student is expected to notify the teacher, principal, or other Schools' administrator.

Outside of school, families bear responsibility for the same guidance of Internet use as they exercise with information sources such as television, telephones, radio, movies and other possibly offensive media.

**Laptops and Personal Computing Devices**

**Assignment of District-Owned technology [1-to-1] (Care of District Property):**

Students or their parent/guardian are responsible for the proper care of technology equipment at all times, whether on or off Schools' property, including any costs associated with repairing or replacing the equipment if student is deemed negligent of reasonable care. Purchase of optional insurance is recommended.

Checkout of technology for non-classroom use must be in accordance with building and Board Policy (Lending of District-Owned Equipment):

Students or their parent/guardian are responsible for the proper care of technology equipment at all times, whether on or off Schools' property, including any costs associated with repairing or replacing the equipment if student is deemed negligent of reasonable care. Check with your home insurance carrier for applicable coverage.

Use of personal computing devices must be in accordance with Board Policy (Personal Communication Devices):

**Additional Guidelines for Use:**
• Personal computers and other personal communication devices in use on NCS network are subject to inspection by a teacher or administrator at any time.
• Students may only use personal laptops or other personal communication devices in accordance with Schools' Acceptable Use Policy and applicable Board Policy.

Restrictions and Disclaimers
• Schools accepts no responsibility or financial liability for personal laptops or other personal communication devices that are brought to school by students.
• Personal computers or other personal communication devices that are lost, stolen, or damaged are the responsibility of the student and his/her parents/guardians, regardless of how the loss, theft, or damage occurs.
• Students are advised to take steps to guard against damage, loss, or theft, including the optional purchase of appropriate insurance.
• Schools' technology department will not provide technical support for any personal laptop or other personal communication device.
• Finally, student and his/her parents are responsible for compensating the Niles Community Schools for any losses, costs or damages incurred by the school district for violations of Board Policies/Administrative Guidelines and school rules while the student is using Schools' technology network, equipment or software, including the cost of investigating such violations. The school district assumes no responsibility for any unauthorized charges or costs incurred by a student while using equipment or 3rd-party Computer Services. The student and his/her parents/guardians are similarly responsible if the student takes any action with network, equipment or software that has the purpose or effect of voiding any warranty in effect covering such equipment or of providing students access to software that are available other than at the software source authorized for use by the school.

Consequences of Inappropriate Use of Technology, Computer(s) and the Network
• The building administrator will determine inappropriate use based on this Acceptable Use Policy. Their decision is final. The building administrator may close an account at any time.
• Any person who does not comply with the Acceptability Use Policy may lose or have restricted privileges of use. Repeated or severe infractions of the policy may result in permanent termination of privileges.
• Users violating any of these rights and responsibilities may face additional disciplinary action deemed appropriate in keeping with policies as stated in the student code of conduct, student handbook or policies of The Board of Education.

SECTION V—TRANSPORTATION

First Student
Together First Student and the Niles Community Schools have developed standards of student conduct that we believe will assure each child a safe bus ride each day. The following provides guidelines on acceptable and unacceptable behavior and possible disciplinary actions:

School Bus Rules and Regulations

1. Students must listen to the driver and follow the driver’s directions. The driver has the authority of a classroom teacher.
2. Students are to conduct themselves on the bus in such a way that will not distract the driver. Distracting the driver puts everyone on the bus at risk.
3. If crossing the street to board the bus, students MUST look both left and right for cars, make sure the RED lights are flashing, and wait for the driver’s signal to cross. Always cross the street in FRONT of the bus.
4. Before boarding and after exiting the bus, students must keep a safe distance from the bus. Keep at least 10 FEET away from the bus.
5. Students are to enter the bus promptly, immediately take their seats, and remain in their assigned seat whenever the bus is in motion.
6. Students must remain properly seated at all times. (Back to Back; Bottom to Bottom; Book bag on the lap)
7. Outside of ordinary conversation in a normal tone, classroom conduct is to be observed when on the bus. The driver has authority to prohibit any conversation.
8. Students are not to touch the emergency equipment on the bus (emergency doors, windows, roof hatches, body fluid/first aid kits, 2-way radios, etc.) except as directed by the driver or during an actual emergency.

9. The bus windows should not be opened without permission from the driver.

10. Students are to keep all body parts inside the bus. (Hands, arms, head, hair, etc.)

11. Students are to keep their hands and feet to themselves. (No fighting; horseplay poking or pinching)

12. Students are not to eat or drink while on the bus.

13. No spraying of colognes, perfume or body sprays while on the bus.

14. Students are not to throw objects of any kind either inside the bus, out of the bus, or around the bus.

15. Students should help keep the bus clean, sanitary, and orderly. They must not damage or abuse bus seats or equipment.

16. Students are not to use abusive language or profanity, obscene or rude gestures, or spit while on the bus.

17. Students may not bring large musical instruments, any animals, balloons, glass containers or objects, or large school projects onto the bus unless this has been prearranged.

18. Students are not to leave the bus without the driver’s permission, except on arrival at their assigned bus stop or at their assigned school.

19. No parents, grandparents or guardians are allowed on buses, without permission or prior approval has been received by Niles Community Schools and First Student.

20. Students are prohibited from using WCD’s to capture, record or transmit the words (i.e. audio) and or images (i.e.picture/videos) of any student, staff members or bus driver/aide.

21. By riding the bus, it is implied that all students and parents understand these rules and will abide by them. Stating that they did not know the rules does not excuse a student from misbehavior or infractions of the rules.

STUDENTS MUST RIDE THEIR ASSIGNED BUS TO AND FROM THEIR ASSIGNED STOP. SWITCHING BUSES FOR ANY REASON IS STRICTLY PROHIBITED UNLESS A BUS PASS IS ISSUED BY SCHOOL OFFICE.

**Following the Bus Safety Rules and Regulations will insure safety, prompt arrivals and departures of buses, and positive attitudes on the part of students. Violations of these rules may result in the suspension of bus privileges.**

Please review this information with your child to help him/her understand what is expected of them while riding a school bus. We take the safety of your children very seriously. A key part of that is to establish a safe and pleasant environment on the bus to and from school.

**Conduct and Discipline**

Students are expected to behave in a respectful manner toward the driver and other students while waiting for and riding the bus. Fighting, bullying, bickering, horseplay and boisterous activities are not allowed. Drivers will try to prevent and resolve behavior problems as they arise by working directly with students. In cases of repeated misbehavior or serious misconduct the driver may issue a misconduct report to be taken to the parent/guardian. The misconduct report will contain a brief description of the inappropriate behavior. Please take this opportunity to discuss the inappropriate behavior with your child. Please sign and return the misconduct report to the driver with your child. If you have questions or concerns about the misconduct report please contact either the Manager or Supervisor at the Transportation Office at 269-684-1420.

The Niles Community Schools have adopted a District Code of Conduct which applies to all students at school, involved in school activities and on the buses. If you have questions regarding transportation, please contact:

8. Attend scheduled meetings such as Parent – Teacher Conferences.
9. Discuss your child’s progress and any concerns with your child’s teacher.

Building Programs
Great Start Readiness Program GSRP (Preschool-4 Year Olds)
Berrien RESA has developed a County-wide handbook for all GSRP parents and families. Available upon request.

Early Childhood Special Education ECSE
Berrien RESA provides a variety of opportunities for students to receive special education services while at the same time participate in general education classes. From students with moderate cognitive impairments to Autism Spectrum Disorder, these classrooms offer students the opportunity to interact and learn with their peers in the least restrictive environment.

Kindergarten-Connections
This program is based on student needs and is filled through a summer screening process. Children in this classroom are age eligible for Kindergarten however they may socially, academically and/or physically require a bridge between Preschool and Kindergarten. Children enrolled in this program will take part in an experience that allows them to develop the prerequisite skills for having the confidence to be ready for kindergarten.

Montessori
The Niles Montessori Primary program is for three, four, five & six year old children. The program is designed based upon the philosophy and methods created by Dr. Maria Montessori. She believed that the preschool years are the most critical period for nurturing a child’s natural curiosity and for laying the foundation for all future development.

Our goal is to foster independence and to support children in moving toward mastery of self and the environment. A Montessori classroom is purposefully designed to accommodate sequence and order of self-teaching materials. Curriculum includes practical life, sensorial, language, math and cultural activities. Teachers, or Directresses, observe students’ needs and create an environment that will allow learners to meet those needs. Students learn to work together and accept one another’s unique strengths and potentials. Morning and full day sessions are available.

General Schedule—
30 minutes of outdoor play
2 hour of work time (snack & learning)
20 minutes of group time
55 minutes of lunch and play
30-60 minutes of rest

Mini-Vikes are NICE, LISTEN, and DO!
Northside provides an environment where children can experience positive relationships while practicing self-discipline. It is a place where children can develop confidence and a healthy sense of self. The quality of early relationships will influence the way children relate to others for the rest of their lives.

Since this is such an important aspect of early learning, we devote a great deal of attention to quality teacher/child interactions by showing encouragement, listening attentively, respecting children's feelings, and making sure we have individual time with each child daily. We help children learn to use words to express their feelings instead of "hitting" and, by example, teach them to work together cooperatively. Our focus is on developing our Mini-Vike Expectations:

Be NICE
LISTEN
DO

As our children move into January we will then develop, teach, and connect our Mini-Vike learning with our district expectations of Respectful, Responsible and Resilient.

Physical punishment is never used. "Time out" is seldom necessary, but may be used on occasion when a child needs some time away from the group. The time out is not used to humiliate or punish, but rather as a quiet place to rest and regain control.

The teachers will alert parents to serious behavior concerns. It is important that the approach to these situations be consistent at home and at school. Parents are encouraged to discuss these behaviors with the teacher and to jointly determine techniques that can be carried out in both settings. A behavior specialist is available to assist as needed.

All children will be encouraged to act in an open, friendly, and cooperative manner with all adults as well as other children. All staff will participate in helping each child develop self-control, self-direction, and cooperation with others through appropriate modeling techniques. This will take place whenever your child is in our care.

If a child is causing any type of harm to himself or others, or damage to property, the teacher or instructional assistant will take immediate action.

Depending on the situation, the adult may choose to do one or more of the following:

1) Assist children with peaceful conflict negotiation.
2) Redirect the child to another activity / provide alternative choices.
3) Remind the child of classroom rules.
4) Praise another child for behaving appropriately.
5) Draw the child away and quietly talk to him/her.

Each classroom will have a quiet area that can be used as a place for the child to sit away from others and will provide an area for peaceful negotiation.

(Northside follows all district, State of Michigan, Michigan State Licensing rules, GSRP rules, as related to discipline.)

Refer to the “We Care Contract” for behaviors that will allow for a positive learning environment
Transportation

Personal
Parents who are dropping off or picking up, and walking children to the building, should park in designated parking spaces rather than along the sidewalk. Please carefully note the following:

- Parking is prohibited where yellow lines are present. This area in front of the building is ONLY for curb-side drop off. Other than drop off time, it is designated for emergency vehicles ONLY.
- The West side of the building, North of the playground is designated for service vehicles and buses. PLEASE DO NOT use this lot unless we have an evening event where more parking is needed.

Safe Arrival & Departure Agreement
As a parent / guardian, I agree to follow these safe arrival and departure procedures:

If I transport my child to school by car, I WILL WALK MY CHILD TO THE WAITING AREA or DROP THEM WITH PROFESSIONAL STAFF. I will not drop my child off at the outside door or in the parking lot without handing them over to an aide. I also understand that I should not arrive more than five minutes before the start of class.

If I must pick up my child early for an appointment, I will sign him / her out in the office.

I understand that it is MY RESPONSIBILITY to keep my child’s emergency card up to date at all times. I understand that the school WILL NOT RELEASE MY CHILD TO ANY PERSON NOT AUTHORIZED BY ME ON THAT CARD. I also understand that the school may ask for identification for the safety of my child.

If my child is usually a bus rider, and I will be picking her / him up on any given day, I will SEND A NOTE TO THE TEACHER, CALL THE SCHOOL OFFICE, and ARRIVE AT SCHOOL FIVE MINUTES BEFORE DISMISSAL TIME. (I understand that if I have not arrived before dismissal time, my child will be put on the bus.)

If my child will be absent for any reason, I will call the office.

I will not allow my child to transport any of the following on the bus: lasers, balloons, glass, pets, weapons (including toy guns, knives, etc.), or anything too large for him / her to safely transport in his / her backpack.

I understand that I must park my vehicle in a proper parking space.

Bus Transportation

Transportation is a privilege. We work in close collaboration with First Student to provide the safest possible trip to and from school, for your child. If you need to reference additional expectations for transportation please follow the link: http://nilesschools.schoolwires.net/Page/18

CHILDREN...

Stay Safe While You Wait For The Bus:  Wait for the bus in a safe area--away from the road. Do not run or fool around. Pay attention to traffic while watching for the bus.

Get On The Bus Safely: Stand back until the bus driver opens the door. Use the handrail. Sit down quickly.
Help The Bus Driver: Listen to the bus driver. Keep your head and hands inside the bus. Talk softly. Stay in your seat until the bus stops at your stop and you are told you can go.

Get Off The Bus Safely: Hold the handrail when walking down the stairs to depart the bus. Pay attention to traffic when getting off the bus. Walk at least 10 steps away from the bus quickly. Avoid crossing in front of the bus, but if it is necessary, walk far enough ahead of the bus so that the driver can see you.

If You Must Cross The Road: Wait for the driver’s OK sign. Make sure you can see the driver’s face when you cross. Keep at least 10 steps away from the bus when you cross.

Never Reach Under the Bus: Tell the bus driver if anything falls under or near the bus. Never pick it up yourself. Keep your things in your backpack.

PARENTS...

BUSES CANNOT WAIT. Parents have children ready and waiting outside to load them on the bus 8 minutes before the scheduled pick-up time and be available for the bus 8 minutes before the drop-off time. Bus times may fluctuate due to weather, other stops, etc.

Parents of a child in a licensed program (GSRP, Montessori, ECSE) or their designee must come out to the bus with the child to assist them on and off the bus (at the bus door). “When children are entering or leaving the motor vehicle, the children shall be carried or helped into and out of a vehicle. a. The driver shall assure that the children are received by a staff person, parent, or other person designated by the parent.” ((6) R400.5611 Child Supervision) (State Licensing)

IF YOU ARE NOT RIDING BECAUSE OF AN ABSENCE OR YOU DON'T NEED PICK UP, you (parent/sitter) must call the Transportation Center on Lake Street at 684-1420 before the pick-up time. REMEMBER absences should be called in to Northside also.

Transportation is being routed by First Student, so please call 684-1420 in advance with pick-up or drop-off changes. It is essential for you to communicate all changes through Northside also 683-1982.

Children will not be released to anyone who is NOT listed on your child's emergency card. Please keep Northside updated of additions or deletions to your child’s emergency card (student information).

If a parent/designee is not home to take a child off the bus, the child will be brought back to school or the Transportation Department and emergency procedures will be activated.

If you are picking up your child from school, you should come 5 minutes before dismissal. If you are not at school at bus loading time, your child will be put on the bus.

Licensing Requirements

Volunteer Processes
At Northside no adult is ever alone with children. Staff supervises volunteers, including parents, at all times. Volunteers, including parents, are screened through the administration of the Self Certification Statement and must complete an ICHAT before volunteering on a regular basis.
A volunteer shall not have unsupervised contact with children in our care if he or she has been convicted of either of the following:

1. Child abuse or neglect.
2. A felony involving harm or threatened harm to an individual within the ten years immediately preceding the date of offering to volunteer at the childcare center.

Michigan Licensing Regulations also state that the center shall have on file a report, signed by a licensed physician, for each staff and volunteer who has contact with the children at least 4 hours per week for more than two consecutive weeks. This report shall declare, to the best of the physician’s knowledge, the physical capability of the person to perform the duties required. In addition, the center shall have on file evidence that each staff and volunteer who has contact with children at least 4 hours per week for more than two consecutive weeks is free from communicable tuberculosis, verified within 1 year before employment or volunteering.

Volunteers must be 18 years of age or older, unless accompanied by another adult. For example, a teacher must accompany high school student volunteers. Volunteers are required to read, sign, and follow our Standards of Conduct. Staff provides training to volunteers in the classroom.

Handling blood and bodily fluids
- **Gloves** are put on before making contact with body fluids during care and all cleaning procedures. Additionally, masks may be worn.
- Disposable gloves will be discarded after a single use in accordance with disposal procedures.
- Hands will be washed in soap and water after handling fluids and contaminated articles even though gloves are worn.
- Discard disposal items, including disposable gloves, paper towels, sanitary napkins/tampons, used bandages and dressings in a plastic trash container, which is kept, closed and is discarded daily.
- Disposable items should be used to handle body fluids whenever possible or practical.
- Paper towels should be used to pick up and discard any solid waste materials, e.g., vomit, feces.

**Children & Staff Hand Washing**
The hands of children and staff shall be thoroughly washed prior to handling food and before eating, after toileting (diapering), after coughing into hands or blowing nose. Procedures for hand washing shall be posted in food preparation areas and toilet rooms according to Child Care Center Licensing Rule R 400.5902c.

Our hand washing procedure is as follows:
- Use soap and warm running water.
- Rub hands together for approximately 10 seconds to work up a lather.
- Scrub between fingers, knuckles, backs of hands, and nails.
- Rinse hands under warm running water. Running water is necessary to carry away debris and dirt.
- Use paper towels to thoroughly dry hands.
- Discard paper towels.

**Sanitizing Equipment**
All tableware, utensils, food contact surfaces and food service equipment shall be thoroughly washed, rinsed, and sanitized after each use with an approved sanitizing solution. Children’s toys and equipment will be sanitized regularly to adhere to Child Care Center Licensing Rules and Regulations.

Northside Child Development Center ensures that all toys are sanitized using the 3-Step Sanitizing Process (outlined below) a minimum of 1 time every three weeks. When a child mouths a toy, or touches a toy after coughing or sneezing, the toy is put into a Dirty Toy bucket. All toys in the bucket are sanitized at the end of the day and returned to the classroom.
In addition to the tri-weekly complete sanitizing process, toys are sprayed with an approved sanitizing solution and allowed to air dry at the end of every day.

**Three Step Sanitizing Process:**

**Step 1** - Soapy Water (Using soapy water, wash surface vigorously)
   (Must be dumped and refilled daily)

**Step 2** - Clear Water (Rinse Surface with clear water and wipe with paper towel)
   (Must be dumped and refilled daily)

**Step 3** - Sanitize with sanitizing solution. Allow to air dry when possible.
   (Must be dumped and refilled daily)

**Health Services**
1. Children must have a current Well Child Exam for continued attendance.
2. Your child MUST meet the minimum immunization requirement for initial attendance.
3. It is the parent’s responsibility to update immunizations as necessary.

**Child and Abuse Prevention**
The State of Michigan Child Protection Law provides for the protection of children from child abuse or neglect. Northside, as a regulated child care provider, must report any suspected abuse or neglect to the Department of Human Services.

This agency prohibits child abuse of any kind: emotional, physical, or sexual from occurring in any agency facility. We also protect employees and parents from unfounded allegations of abuse. Employees and volunteers adhere to the following guidelines:

- Employees are never alone with children. If a child requires assistance in the bathroom, the door is left open and other adult(s) are visible.
- Volunteers are never left alone with children. Michigan Licensing Regulations require that employees supervise volunteers. Volunteers are always visible to employees. Volunteers certify that they have not been convicted of child abuse or neglect or any felony involving harm or threatened harm.
- Verbal discipline must not include foul language, profanity, or any language that degrades or belittles a child.
- Families receive information throughout the program year regarding developmentally appropriate discipline for children.

For more information on child abuse and neglect prevention you may contact:
- Berrien County Department of Human Services: 269-934-2300
- Cass County Department of Human Services: 800-382-4277

**Mental Health**

Northside staff will work together with parents to accomplish several goals:
1) To gain insight into the student's mental health by gaining information from parents;
2) Share observations of the child in the classroom with the parents;
3) Work with parents to identify appropriate responses to the child's behavior at school and at home;
4) Share ways to build and strengthen nurturing, supportive environments and relationships in the home and at school.
**Nutrition & Food Safety**

For the protection of our students (and to encourage healthy eating) the only food we recommend, must be prepackaged/unopened nutritious snack foods such as: pretzels, celery, dried fruit, crackers, raisins, carrots or cheese. Food donations are not accepted by all programs at Northside. Please consult with your child’s teacher before donating food. Due to the number of children annually with peanut allergies, no food containing peanuts/peanut butter may be brought to school. “Children will be “celebrated” on their birthdays; a healthy snack is strongly encouraged.

**Participant Protection & Drug Free Workplace**

Smoking is prohibited on school property, including the parking lot. At no time is any individual permitted to possess any type of weapon, firearm, or drug paraphernalia, or be under the influence of an illegal substance or alcoholic beverage on school property. Northside, and all Niles Community School’s buildings and grounds are drug-free zones.

**Playground Inspections**

State of Michigan requires that outdoor play areas are available and that all outdoor play equipment be maintained in a safe condition and the equipment and play area be inspected daily. A staff member must complete a daily inspection of the playground and equipment to assure that no hazards are present. This inspection must be completed before children use the playground. The daily inspection is then documented on the Outdoor Playgrounds Inspection Log. A Certified Playground inspector has inspected our playground.

**Licensing Reports**

All childcare centers must maintain a licensing notebook which includes all licensing reports, special investigation reports and all related Corrective Action Plans (CAP). The notebook must include all reports issued and CAPs developed on and after May 27, 2010 until the license is closed.

- This center maintains a licensing notebook of all licensing inspection reports, special investigation reports and all related corrective action plans.
- The notebook will be available to parents for review during regular business hours.
- Licensing inspections and special investigation reports from the past two years are available on the Bureau of Child and Adult Licensing website at: [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).

**Incidents**

An incident includes, but is not limited to, the following:

- A child is lost or left unsupervised.
- Alleged sexual contact between children or a child and a staff member or volunteer.
- Physical discipline of a child by a staff member or volunteer.

If any of the above incidents occur a phone call will be made followed by a written report.

**Accidents**

An accident includes, but is not limited to, the following:

- Adult initiated impact on a child or children (adult tripping on…)
- Physical environment impact on a child (object falling)

If any of the above accidents occur a phone call will be made followed by a written report.
